

WILFREDO CASAS

SOFTWARE DEVELOPER, FILMMAKER, ENTREPRENEUR

Updated on November of 2023.

Since the age of 19, I've been immersed in the world of entrepreneurship, engaging in idea generation, prototyping of both hardware and software, team management and market testing. At 25, I ventured into coding and spent 2 years working as a front-end software developer in a renowned software agency in Berlin. More recently, I explored my passion for filmmaking by writing, producing, and directing over 20 amateur short films within a year.

SOFTWARE

JavaScript, React, React Native, Node.js, MongoDB, SQL, Heroku, **DaVinci Resolve**, Jira, ChatGPT, Midjourney, and **Adobe Illustrator**.

5 SKILLS

1. Product Design
2. Creative Writing
3. Team management
4. Video editing
5. Full-Stack Development
