I bring a decade of entrepreneurial experience turning ideas into small but profitable ventures. I launched a longboarding glove business in Lima to fund my Marketing degree, learned QA, UX, and growth hacking at two NYC startups, and created a job platform from Germany that helps latinos find jobs in New York. View my reference letter [here](#).

EXPERIENCE

FOUNDER AT JOBDIRECTO -> www.jobdirecto.com

2017 - Present / Team of 2 people

Built a platform that connects tens of thousands of Hispanic immigrants with job opportunities in New York, now a profitable small business.

GAME DESIGNER OF AYAKUCHO -> [Instagram](#) / [BoardGameGeek](#) / [Kickstarter](#)

2020 - Present / Team of 2 people

Designed and self-published a board game called Bamberg, which was later sold to a publisher in the UK. Repurchased it to further develop it into Ayakucho.

FOUNDER ASSOCIATE IN NEW YORK STARTUPS

2016 - 2017 / Teams mit weniger als 10 Mitarbeitern

Worked at [Branching Minds](#) (2016) and [Dog Parker](#) (2017), specializing in QA, app user flow design, growth hacking, and conducting guerrilla-style interviews with dog owners across Brooklyn.

EDUCATION

Bachelor of Management & Marketing

2010 - 2015

University of Applied Sciences Lima, Peru
