A video says more than a
thousand resumes...

Indie filmmaker seeking a film production role. Self-taught in most aspects of filmmaking, including directing, casting, project management, screenwriting, cinematography, audio recording, editing, color grading, securing locations, and preparing schedules. Proven track record with 22 short films.

EXPERIENCE

PRODUCING

- Secured locations, cast actors, wrote contracts and organised all my short films.
- Currently applying for a 30k euro short film grant from the FFA to make a short in Peru next year.

DIRECTING

Directed actors for all of my shorts, an art that I am still yet to grasp.

CAMERA

- Director of Photography for the feature film "Liebe, Liebe," filmed in Cologne in 2024.
- Main camera for the parkour event UGA 2023.
- Own a Blackmagic Pocket Cinema 4K and have extensive experience with handheld shooting.

AUDIO

Experienced in placing lavaliers, operating boom poles, monitoring audio, and mixing it in post-production.

EDITING

I cut, mixed audio and color graded all my first 21 short films using Davinci Resolve Studio.

SOME SHORTS I MADE

(WITH HELP OF AN AWESOME CREW OF COURSE)

- The Invasion: In funding phase.
- The Last Day in the Life of the Man Who Died: applying to Berlinale Shorts 2025.
- BVG Magic Story: Applying to Interfilm 2024.
- Berlin Break-In: Applying to Interfilm 2024.
- Forewarned: Special mention at Interfilm 2023.
- Julia vs The Narrator: Selected for the Short Nights of Berlin.
- The Masturbator: just a personal favorite.
- Carlos Perro Viejo: screened at The Short Nights of Berlin
